**ANIMA TACTICS: SAGA III & IV**  
**2013 UPDATE**

アニメ タクティクス  
**ANIMA**  
TACTICS

Every game evolves and Anima Tactics is not an exception. With the release of new units and rules along the years, the Level cost of some characters should have some minor modifications to keep the game balance. The next pages are a guide of the updated cost of all characters released, which should be valid in official tournaments and competitions.

Any character which has any cost modification has such values in red colour.
